<p>l thought the game and awesome! The screen effects really made the stor

y come to life. And it wasn t /, boring where you just want to skip it through

and move on, you really want to read it and see /, what was happening! But ther

e was only one problem, which caused me to delete the app. When you first open /

, the app, they ask for your age, one of the options is 18 and under. So I clic

k that and /, I start my first story. I really liked it! The story was well pla

yed out and I laughed a little /, too. But the only problem was that the F wor

d was put in there at least once in each story. /, I think that is extremely d

isappointing that they would do that. If you click 18 and under, I expect the /,

creators of the app to eliminate all the F words and maybe more swears, I sa

y this because 18 and /, under does include 10 year old, and younger as well. I

do not think it is appropriate to add those /, types of swears into the younge

r category. It s a bad influence on children and really dangerous when you expos

e them /, to that kind of language. So I think that they need to fix that immed

iatly. It s ruined the app experience /, for me. If they update it, and elimin

ate the F word from 18 and under category, I will gladly play /, it again.</

<p>Sincerely,</p>

<p>A disappointed player.</p>
